Mr. Howland Wood,
The American Numismatic Society,
New York.
Dear Mr. Wood, —

A year ago, I received a letter from you, inviting me to join the ranks of the American Numismatic Society. It was an invitation which I appreciated, but was unable to accept through my ardour to complete my scholastic work.

Now that my University days are over, and I am branching out into business activities, I would appreciate, very much, being elected to Associate Membership in the Society.

I have been a member of The American Numismatic Association

for several years, and have found
it of great help and interest. I am
sure that I would find the Sister
Organization, fully as helpful and
enjoyable.

Permit me at this festive
season, to wish you, personally,
and the Society, in a general, a
most Merry Xmas Season, and
a Happy Prosperous New Year.

Sincerely,

Douglas Ferguson

Dear Sirs, -

Through business pressure,
I am forced to resign from the
American Numismatic Society, and
to put aside my lobby for the
present.

I will await with pleasure,
the years in the not distant future,
I hope, when I will again be able
to take up this most interesting
and valuable lobby, and when I hope
to again be privileged to associate
with you. Most sincerely, H. H. Henson
